KNOCK ON THE WINDOW-- THE DOOR IS IN A JAMB

While the Captain is taking a bath, the Shenanigan Kids lock him in the bathroom, climb through the window and steal his clothes. They nail the clothes to the wall with a note pinned on them, and tell their mother that the Captain has committed suicide. She immediately consults her ouija board asking it to knock once if he did it on purpose. At that moment the captain falls on the floor of the bathroom, knocking down most of the ceiling where the ouija board is.

Then the kids cut a hole on the floor under the table the ouija is on. They get under the table and make it dance around the room until the Captain breaks through the door of the bathroom and comes in, wrapped up in a towel.

His wife thinks it is his ghost and asks him if he did not commit suicide and he answers, as he puts the kids across his knee, "No, foist comes molder!"

LAMPOONS
